## Product Datasheet

### ELISA Kit for Cathepsin K (CTSK) USC-SEA267PO

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Cathepsin K (CTSK)                                          |
| Biozol Catalog Number      | USC-SEA267PO                                                              |
| Supplier Catalog Number    | SEA267Po                                                                  |
| Alternative Catalog Number | USC-SEA267PO-48, USC-SEA267PO-96                                          |
| Manufacturer               | Cloud-Clone                                                               |
| Category                   | Kits/Assays                                                               |
| Species Reactivity         | Porcine                                                                   |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                       |
| Range                      | 0.312-20ng/mL                                                             |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.112ng/mL |
| UniProt                    | <a href="#">Q9GLE3</a>                                                    |
| Samples                    | Serum, plasma and other biological fluids.                                |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                  |
