### ELISA Kit for Histone H3 (H3) USC-SEA285MI

|                            |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Histone H3 (H3)                                                         |
| Biozol Catalog Number      | USC-SEA285MI                                                                          |
| Supplier Catalog Number    | SEA285Mi                                                                              |
| Alternative Catalog Number | USC-SEA285MI-48, USC-SEA285MI-96                                                      |
| Manufacturer               | Cloud-Clone                                                                           |
| Category                   | Kits/Assays                                                                           |
| Species Reactivity         | Human, Mouse, Rat                                                                     |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                   |
| Range                      | 0.312-20ng/mL                                                                         |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.117ng/mL             |
| Samples                    | tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                              |
