### ELISA Kit for Chromogranin A (CHGA) USC-SEB212RA

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Chromogranin A (CHGA)                                    |
| Biozol Catalog Number      | USC-SEB212RA                                                           |
| Supplier Catalog Number    | SEB212Ra                                                               |
| Alternative Catalog Number | USC-SEB212RA-48, USC-SEB212RA-96                                       |
| Manufacturer               | Cloud-Clone                                                            |
| Category                   | Kits/Assays                                                            |
| Species Reactivity         | Rat                                                                    |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                    |
| Range                      | 78-5,000pg/mL                                                          |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 32pg/mL |
| UniProt                    | <a href="#">P10354</a>                                                 |
| Samples                    | serum, plasma and other biological fluids                              |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.               |
