### ELISA Kit for Gremlin 1 (GREM1) USC-SEC128MU

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Gremlin 1 (GREM1)                                         |
| Biozol Catalog Number      | USC-SEC128MU                                                            |
| Supplier Catalog Number    | SEC128Mu                                                                |
| Alternative Catalog Number | USC-SEC128MU-48, USC-SEC128MU-96                                        |
| Manufacturer               | Cloud-Clone                                                             |
| Category                   | Kits/Assays                                                             |
| Species Reactivity         | Mouse                                                                   |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                     |
| Range                      | 15.6-1,000pg/mL                                                         |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 6.5pg/mL |
| UniProt                    | <a href="#">070326</a>                                                  |
| Samples                    | serum, plasma and other biological fluids                               |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                |
