### ELISA Kit for Collagen Type VI (COL6) USC-SED123MU

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Collagen Type VI (COL6)                                    |
| Biozol Catalog Number      | USC-SED123MU                                                             |
| Supplier Catalog Number    | SED123Mu                                                                 |
| Alternative Catalog Number | USC-SED123MU-48, USC-SED123MU-96                                         |
| Manufacturer               | Cloud-Clone                                                              |
| Category                   | Kits/Assays                                                              |
| Species Reactivity         | Mouse                                                                    |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                      |
| Range                      | 3.12-200ng/mL                                                            |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 1.17ng/mL |
| UniProt                    | <a href="#">Q8CII2</a>                                                   |
| Samples                    | Serum, plasma, tissue homogenates and other biological fluids            |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                 |
