## Product Datasheet

### ELISA Kit for Tight Junction Protein 2 (TJP2) USC-SEF167HU

|                            |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Tight Junction Protein 2 (TJP2)                                         |
| Biozol Catalog Number      | USC-SEF167HU                                                                          |
| Supplier Catalog Number    | SEF167Hu                                                                              |
| Alternative Catalog Number | USC-SEF167HU-48, USC-SEF167HU-96                                                      |
| Manufacturer               | Cloud-Clone                                                                           |
| Category                   | Kits/Assays                                                                           |
| Species Reactivity         | Human                                                                                 |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                   |
| Range                      | 0.312-20ng/mL                                                                         |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.124ng/mL             |
| UniProt                    | <a href="#">Q9UDY2</a>                                                                |
| Samples                    | tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                              |
