## Product Datasheet

### **ELISA Kit for Wingless Type MMTV Integration Site Family, Member 9B (WNT9B)** **USC-SEP550HU**

|                            |                                                                             |
|----------------------------|-----------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Wingless Type MMTV Integration Site Family, Member 9B (WNT9B) |
| Biozol Catalog Number      | USC-SEP550HU                                                                |
| Supplier Catalog Number    | SEP550Hu                                                                    |
| Alternative Catalog Number | USC-SEP550HU-48, USC-SEP550HU-96                                            |
| Manufacturer               | Cloud-Clone                                                                 |
| Category                   | Kits/Assays                                                                 |
| Species Reactivity         | Human                                                                       |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                         |
| Range                      | 0.156-10ng/mL                                                               |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.058ng/mL   |
| UniProt                    | <a href="#">O14905</a>                                                      |
| Samples                    | Tissue homogenates, cell lysates and other biological fluids                |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                    |
