## Product Datasheet

### Eukaryotic Stem Cell Factor (SCF) USC-EPA120HU61

|                            |                                                                                                                    |
|----------------------------|--------------------------------------------------------------------------------------------------------------------|
| Article Name               | Eukaryotic Stem Cell Factor (SCF)                                                                                  |
| Biozol Catalog Number      | USC-EPA120HU61                                                                                                     |
| Supplier Catalog Number    | EPA120Hu61                                                                                                         |
| Alternative Catalog Number | USC-EPA120HU61-10, USC-EPA120HU61-50, USC-EPA120HU61-100, USC-EPA120HU61-200, USC-EPA120HU61-500, USC-EPA120HU61-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Control, SDS-PAGE, WB                                                                                              |
| Species Reactivity         | Human                                                                                                              |
| Molecular Weight           | Predicted Molecular Mass(KD): 49.5kDa. Accurate Molecular Mass(KD): 65kDa                                          |
| Tag                        | N-terminal His Tag and C-terminal Fc Region of Human IgG1                                                          |
| UniProt                    | <a href="#">P21583</a>                                                                                             |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Source                     | Eukaryotic expression                                                                                              |
| Expression System          | Eukaryotic expression                                                                                              |
| Purity                     | > 90%                                                                                                              |
| Form                       | Freeze-dried powder                                                                                                |
