| Article Name               | Recombinant Torsin A Interacting Protein 2 (TOR1AIP2), E. coli                                                     |
| Biozol Catalog Number      | USC-RPR170MU01                                                                                                     |
| Supplier Catalog Number    | RPR170Mu01                                                                                                         |
| Alternative Catalog Number | USC-RPR170MU01-10, USC-RPR170MU01-50, USC-RPR170MU01-100, USC-RPR170MU01-200, USC-RPR170MU01-500, USC-RPR170MU01-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Host                       | E. coli                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Control, SDS-PAGE, WB                                                                                              |
| Species Reactivity         | Mouse                                                                                                              |
| Molecular Weight           | Predicted Molecular Mass(KD): 28.7kDa. Accurate Molecular Mass(KD): 29kDa                                          |
| Tag                        | N-terminal His Tag                                                                                                 |
| UniProt                    | <a href="#">Q8BYU6</a>                                                                                             |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Source                     | Prokaryotic expression                                                                                             |
