| Article Name               | Inhibin beta A Polyclonal Antibody, AbBy Fluor-594 Conjugated, BF594, Rabbit                           |
| Biozol Catalog Number      | BSS-BS-22620R-BF594                                                                                    |
| Supplier Catalog Number    | bs-22620R-BF594                                                                                        |
| Alternative Catalog Number | BSS-BS-22620R-BF594-100                                                                                |
| Manufacturer               | Bioss                                                                                                  |
| Host                       | Rabbit                                                                                                 |
| Category                   | Antikörper                                                                                             |
| Application                | WB                                                                                                     |
| Species Reactivity         | Mouse, Rat                                                                                             |
| Conjugation                | BF594                                                                                                  |
| Clonality                  | Polyclonal                                                                                             |
| Concentration              | 1ug/ul                                                                                                 |
| NCBI                       | <a href="#">3624</a>                                                                                   |
| UniProt                    | <a href="#">P08476</a>                                                                                 |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source                     | KLH conjugated synthetic peptide derived from human Inhibin beta A                                     |

|                    |                        |
|--------------------|------------------------|
| Purity             | Purified by Protein A. |
| Target             | Inhibin beta A         |
| Antibody Type      | Primary Antibody       |
| Application Dilute | WB(1:300-5000)         |
