## Product Datasheet

### CD32 Recombinant Antibody, Unconjugated, Rabbit BSS-BSM-60674R

|                            |                                                                 |
|----------------------------|-----------------------------------------------------------------|
| Article Name               | CD32 Recombinant Antibody, Unconjugated, Rabbit                 |
| Biozol Catalog Number      | BSS-BSM-60674R                                                  |
| Supplier Catalog Number    | bsm-60674R                                                      |
| Alternative Catalog Number | BSS-BSM-60674R-100                                              |
| Manufacturer               | Bioss                                                           |
| Host                       | Rabbit                                                          |
| Category                   | Antikörper                                                      |
| Application                | IF, IHC-Fr, IHC-P, WB                                           |
| Conjugation                | Unconjugated                                                    |
| Clonality                  | Recombinant                                                     |
| Concentration              | 1ug/ul                                                          |
| NCBI                       | <a href="#">2213</a>                                            |
| UniProt                    | <a href="#">P31994</a>                                          |
| Buffer                     | 0.01M TBS (pH 7.4), 1% BSA, 0.02% Proclin 300, and 50% Glycerol |
| Source                     | KLH conjugated synthetic peptide derived from human CD32        |
| Target                     | CD32                                                            |
| Application Dilute         | WB(1:300-5000), IHC-P(1:200-400), IHC-F(1:100-500), IF()        |
