## Product Datasheet

### ATP5B Recombinant Antibody Kit (KD-Validated), Unconjugated, Rabbit BSS-BSM-90158R

|                            |                                                                     |
|----------------------------|---------------------------------------------------------------------|
| Article Name               | ATP5B Recombinant Antibody Kit (KD-Validated), Unconjugated, Rabbit |
| Biozol Catalog Number      | BSS-BSM-90158R                                                      |
| Supplier Catalog Number    | bsm-90158R                                                          |
| Alternative Catalog Number | BSS-BSM-90158R-50                                                   |
| Manufacturer               | Bioss                                                               |
| Host                       | Rabbit                                                              |
| Category                   | Antikörper                                                          |
| Application                | FC, WB                                                              |
| Species Reactivity         | Human, Mouse, Rat                                                   |
| Conjugation                | Unconjugated                                                        |
| Product Description        | Cell Line: Hela Knockdown technology: shRNA Knockdown...            |
| Clonality                  | Recombinant                                                         |
| Concentration              | Lot dependent                                                       |
| NCBI                       | <a href="#">506</a>                                                 |
| UniProt                    | <a href="#">P06576</a>                                              |
| Buffer                     | 0.01M TBS (pH 7.4), 1% BSA, 0.02% Proclin 300, and 50% Glycerol     |
| Source                     | A synthesized peptide derived from human ATPB                       |
| Target                     | ATP Synthase F1 Subunit Beta                                        |

|                    |                                           |
|--------------------|-------------------------------------------|
| Application Dilute | WB(1:300-5000), FCM(1:20-100), IC(1:1000) |
|--------------------|-------------------------------------------|
