| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Immunogen                  | Recombinant full-length human PTPRC protein was used as the immunogen for the recombinant CD45RA antibody.                                                                                                                                                    |
| Product Description        | CD45R, also designated CD45 and PTPRC, has been identified as a transmembrane glycoprotein, broadly expressed among hematopoietic cells. Multiple isoforms of CD45R are distributed throughout the immune system according to cell type. These isoforms ar... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [rPTPRC/7284]                                                                                                                                                                                                                                                 |
| UniProt                    | <a href="#">P08575</a>                                                                                                                                                                                                                                        |

|                    |                                                                                             |
|--------------------|---------------------------------------------------------------------------------------------|
| Purity             | Protein A/G affinity                                                                        |
| Form               | 1 mg/ml in 1X PBS, BSA free, sodium azide free                                              |
| Antibody Type      | Primary Antibody                                                                            |
| Application Dilute | Immunohistochemistry (FFPE): 1-2ug/ml                                                       |
| Application Notes  | Optimal dilution of the recombinant CD45RA antibody should be determined by the researcher. |
