| Category                   | Antikörper                                                                                                                                                                                                                     |
| Application                | ELISA, ICC, IHC, WB                                                                                                                                                                                                            |
| Species Reactivity         | Human                                                                                                                                                                                                                          |
| Immunogen                  | Synthetic MUC2 (23 aa) tandem repeat consensus sequence                                                                                                                                                                        |
| Conjugation                | Unconjugated                                                                                                                                                                                                                   |
| Product Description        | Our carrier-free Anti-Mucin 2 rabbit polyclonal primary antibody from Antibodies Incorporated is produced in-house. It detects human Mucin 2, and is purified by Protein A chromatography. It is great for use in IHC, ICC.... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                     |
| Concentration              | 1 mg/mL                                                                                                                                                                                                                        |
| Molecular Weight           | 540 kDa                                                                                                                                                                                                                        |

|                   |                                              |
|-------------------|----------------------------------------------|
| UniProt           | <a href="#">Q02817</a>                       |
| Buffer            | PBS                                          |
| Target            | Mucin 2                                      |
| Antibody Type     | Primary Antibody                             |
| Application Notes | Format: Purified by Protein A Chromatography |
