| Alternative Catalog Number | ASB-ARP30976_P050-25UL,ASB-ARP30976_P050-100UL                                                                                                                                                                 |
| Manufacturer               | Aviva                                                                                                                                                                                                          |
| Host                       | Rabbit                                                                                                                                                                                                         |
| Category                   | Proteine/Peptide                                                                                                                                                                                               |
| Application                | IHC, WB                                                                                                                                                                                                        |
| Species Reactivity         | Bovine, Canine, Human, Mouse, Porcine, Rabbit, Rat, Zebrafish                                                                                                                                                  |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the N terminal region of human ZEB1                                                                                                                      |
| Product Description        | ZEB1 is a zinc finger transcription factor that represses T-lymphocyte-specific IL2 gene expression by binding to a negative regulatory domain 100 nucleotides 5-prime of the IL2 transcription start site.... |
| Clonality                  | Polyclonal                                                                                                                                                                                                     |
| Concentration              | 0.5 mg/ml                                                                                                                                                                                                      |
| Molecular Weight           | 124kDa                                                                                                                                                                                                         |
| NCBI                       | <a href="#">6935</a>                                                                                                                                                                                           |
| UniProt                    | <a href="#">P37275</a>                                                                                                                                                                                         |

|      |                                                                                                   |
|------|---------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
