| Alternative Catalog Number | ASB-ARP31802_P050-25UL,ASB-ARP31802_P050-100UL                                                                                                                                       |
| Manufacturer               | Aviva                                                                                                                                                                                |
| Host                       | Rabbit                                                                                                                                                                               |
| Category                   | Proteine/Peptide                                                                                                                                                                     |
| Application                | IF, WB                                                                                                                                                                               |
| Species Reactivity         | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat                                                                                                                        |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the middle region of human HIC2                                                                                                |
| Product Description        | HIC2 contains 5 C2H2-type zinc fingers and 1 BTB (POZ) domain. It belongs to the krueppel C2H2-type zinc-finger protein family, Hic subfamily and is a transcriptional repressor.... |
| Clonality                  | Polyclonal                                                                                                                                                                           |
| Concentration              | 0.5 mg/ml                                                                                                                                                                            |
| Molecular Weight           | 66kDa                                                                                                                                                                                |
| NCBI                       | <a href="#">23119</a>                                                                                                                                                                |
| UniProt                    | <a href="#">Q96JB3</a>                                                                                                                                                               |

|      |                                                                                                   |
|------|---------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
