| Article Name               | TFAP4 Antibody - C-terminal region                                                         |
| Biozol Catalog Number      | ASB-ARP33435_T100                                                                          |
| Supplier Catalog Number    | ARP33435_T100                                                                              |
| Alternative Catalog Number | ASB-ARP33435_T100-25UL,ASB-ARP33435_T100-100UL                                             |
| Manufacturer               | Aviva                                                                                      |
| Host                       | Rabbit                                                                                     |
| Category                   | Proteine/Peptide                                                                           |
| Application                | IHC, WB                                                                                    |
| Species Reactivity         | Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat                                      |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the C terminal region of human TFAP4 |
| Product Description        | TFAP4 acts in concert with AP-1 to activate SV40 late transcription in vitro....           |
| Clonality                  | Polyclonal                                                                                 |
| Concentration              | 1.0 mg/ml                                                                                  |
| Molecular Weight           | 39kDa                                                                                      |
| NCBI                       | <a href="#">7023</a>                                                                       |
| UniProt                    | <a href="#">Q01664</a>                                                                     |

|      |                                                                                                   |
|------|---------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
