| Category                   | Proteine/Peptide                                                                                                                                                                                                                                              |
| Application                | IHC, WB                                                                                                                                                                                                                                                       |
| Species Reactivity         | Bovine, Canine, Equine, Goat, Human, Mouse, Rabbit, Rat, Sheep                                                                                                                                                                                                |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the middle region of human FABP4                                                                                                                                                                        |
| Product Description        | FABP4 encodes the fatty acid binding protein found in adipocytes. Fatty acid binding proteins are a family of small, highly conserved, cytoplasmic proteins that bind long-chain fatty acids and other hydrophobic ligands. It is thought that FABPs roles... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molecular Weight           | 15kDa                                                                                                                                                                                                                                                         |
| NCBI                       | <a href="#">2167</a>                                                                                                                                                                                                                                          |
| UniProt                    | <a href="#">P15090</a>                                                                                                                                                                                                                                        |

|      |                                                                                                   |
|------|---------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
