| Article Name               | RAB9A Antibody - middle region                                                                       |
| Biozol Catalog Number      | ASB-ARP46100_P050                                                                                    |
| Supplier Catalog Number    | ARP46100_P050                                                                                        |
| Alternative Catalog Number | ASB-ARP46100_P050-25UL,ASB-ARP46100_P050-100UL                                                       |
| Manufacturer               | Aviva                                                                                                |
| Host                       | Rabbit                                                                                               |
| Category                   | Proteine/Peptide                                                                                     |
| Application                | WB                                                                                                   |
| Species Reactivity         | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rat, Sheep, Zebrafish                              |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the middle region of human RAB9A               |
| Product Description        | RAB9A is involved in the transport of proteins between the endosomes and the trans Golgi network.... |
| Clonality                  | Polyclonal                                                                                           |
| Concentration              | 0.5 mg/ml                                                                                            |
| Molecular Weight           | 23kDa                                                                                                |
| NCBI                       | <a href="#">9367</a>                                                                                 |
| UniProt                    | <a href="#">P51151</a>                                                                               |

|      |                                                                                                   |
|------|---------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
