| Category                   | Proteine/Peptide                                                                                                                                                                                                                                              |
| Application                | ICC, IHC, IP, WB                                                                                                                                                                                                                                              |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                  | Range: Leu166 - Arg348                                                                                                                                                                                                                                        |
| Product Description        | Guanine nucleotide exchange factor (GEF) that catalyzes the exchange of GDP for GTP. Promotes guanine nucleotide exchange on the Rho family members of small GTPases, like RHOA, RHOC, RAC1 and CDC42. Required for signal transduction pathways involved ... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molecular Weight           | 100 kDa                                                                                                                                                                                                                                                       |
| NCBI                       | <a href="#">1894</a>                                                                                                                                                                                                                                          |
| Form                       | Liquid. PBS, pH7.4, containing 0.02% NaN <sub>3</sub> , 50% glycerol.                                                                                                                                                                                         |
