| Category                   | Proteine/Peptide                                                                                                                                                                                                                                              |
| Application                | ICC, IF, IHC-P, WB                                                                                                                                                                                                                                            |
| Species Reactivity         | Human, Mouse                                                                                                                                                                                                                                                  |
| Immunogen                  | Recombinant protein encompassing a sequence within the center region of human GAPDHS. The exact sequence is proprietary.                                                                                                                                      |
| Product Description        | This gene encodes a protein belonging to the glyceraldehyde-3-phosphate dehydrogenase family of enzymes that play an important role in carbohydrate metabolism. Like its somatic cell counterpart, this sperm-specific enzyme functions in a nicotinamide ... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 0.91 mg/ml                                                                                                                                                                                                                                                    |
| NCBI                       | <a href="#">26330</a>                                                                                                                                                                                                                                         |
| Buffer                     | 0.1M Tris, 0.1M Glycine, 20% Glycerol (pH7). 0.01% Thimerosal was added as a preservative.                                                                                                                                                                    |
