| Article Name               | ID3 Capture Antibody                                                                                    |
| Biozol Catalog Number      | ASB-OAOA21539                                                                                           |
| Supplier Catalog Number    | OAOA21539                                                                                               |
| Alternative Catalog Number | ASB-OAOA21539-100UG                                                                                     |
| Manufacturer               | Aviva                                                                                                   |
| Host                       | Mouse                                                                                                   |
| Category                   | Proteine/Peptide                                                                                        |
| Application                | ELISA, Multiplex Assay                                                                                  |
| Species Reactivity         | Human, Mouse, Rat                                                                                       |
| Immunogen                  | Full length human recombinant protein of human ID3 (NM_002167) produced in HEK293T cell.                |
| Product Description        | DNA-binding protein inhibitor ID-3, Homo sapiens inhibitor of DNA binding 3, HLH protein (ID3), mRNA... |
| Clonality                  | Monoclonal                                                                                              |
| Concentration              | 0.5 mg/ml                                                                                               |
| Clone Designation          | [OTI15F4]                                                                                               |
| Isotype                    | IgG1                                                                                                    |
| NCBI                       | <a href="#">3399</a>                                                                                    |

|                    |                                                                             |
|--------------------|-----------------------------------------------------------------------------|
| Form               | Stored in PBS (pH 7.4) containing 0.05% sodium azide and up to 5% trehalose |
| Application Dilute | 1:100 - 1:1000                                                              |
