| Article Name               | Human TNF-alpha Protein                                                                                                                            |
| Biozol Catalog Number      | ASC-PRP1013                                                                                                                                        |
| Supplier Catalog Number    | PRP1013                                                                                                                                            |
| Alternative Catalog Number | ASC-PRP1013-5, ASC-PRP1013-20, ASC-PRP1013-100, ASC-PRP1013-1                                                                                      |
| Manufacturer               | Abbkine Scientific                                                                                                                                 |
| Category                   | Proteine/Peptide                                                                                                                                   |
| Product Description        | Human TNF-alpha protein, expressed in E. coli...                                                                                                   |
| Molecular Weight           | 17.5 kDa                                                                                                                                           |
| Tag                        | TNF-alpha                                                                                                                                          |
| NCBI                       | <a href="#">7124</a>                                                                                                                               |
| UniProt                    | <a href="#">P01375</a>                                                                                                                             |
| Purity                     | > 95 % as determined by SDS-PAGE                                                                                                                   |
| Form                       | Lyophilized from sterile 150mM NaCl 20mM Tris , pH 8.0.                                                                                            |
| Sequence                   | Amino acid sequence derived from human TNF-alpha soluble form (NP_000585.2) (Val 77-Leu 233) was expressed, with an initial Met at the N-terminus. |
| Application Notes          | Human                                                                                                                                              |
