| Category                   | Kits/Assays                                                                                                                                                                                                                                                   |
| Application                | ELISA                                                                                                                                                                                                                                                         |
| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Product Description        | This Human S100 Calcium Binding Protein A7 (S100A7) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates, cell lysates and other biological fluids . This product is for... |
| Range                      | 125-8000pg/mL                                                                                                                                                                                                                                                 |
| Sensitivity                | 51pg/mL                                                                                                                                                                                                                                                       |
| Samples                    | serum, plasma, tissue homogenates, cell lysates and other biological fluids                                                                                                                                                                                   |
| Target                     | Human S100 Calcium Binding Protein A7 (S100A7)                                                                                                                                                                                                                |
| Application Notes          | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                                          |
