| Category                   | Kits/Assays                                                                                                                                                                                                                                                   |
| Application                | ELISA                                                                                                                                                                                                                                                         |
| Species Reactivity         | Goat                                                                                                                                                                                                                                                          |
| Product Description        | This Goat Tissue Inhibitors Of Metalloproteinase 3 (TIMP3) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates, cell lysates, cell culture supernatants and other biolo... |
| Range                      | 0.312-20ng/mL                                                                                                                                                                                                                                                 |
| Sensitivity                | 0.128ng/mL                                                                                                                                                                                                                                                    |
| Samples                    | serum, plasma, tissue homogenates, cell lysates, cell culture supernatants and other biological fluids                                                                                                                                                        |
| Target                     | Goat Tissue Inhibitors Of Metalloproteinase 3 (TIMP3)                                                                                                                                                                                                         |
| Application Notes          | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                                          |
