| Category                   | Kits/Assays                                                                                                                                                                                                                                                   |
| Application                | ELISA                                                                                                                                                                                                                                                         |
| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Product Description        | This Human Tumor Necrosis Factor Ligand Superfamily, Member 14 (TNFSF14) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, saliva, tissue homogenates, cell lysates, cell culture supern... |
| Range                      | 31.2-2000pg/mL                                                                                                                                                                                                                                                |
| Sensitivity                | 11.5pg/mL                                                                                                                                                                                                                                                     |
| Samples                    | serum, plasma, saliva, tissue homogenates, cell lysates, cell culture supernatants and other biological fluids                                                                                                                                                |
| Target                     | Human Tumor Necrosis Factor Ligand Superfamily, Member 14 (TNFSF14)                                                                                                                                                                                           |
| Application Notes          | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                                          |
