| Biozol Catalog Number      | RDD-RDSA67756                                                                                                  |
| Supplier Catalog Number    | RDSA67756                                                                                                      |
| Alternative Catalog Number | RDD-RDSA67756-100                                                                                              |
| Manufacturer               | reddot Biotech                                                                                                 |
| Host                       | Rabbit                                                                                                         |
| Category                   | Antikörper                                                                                                     |
| Application                | FC, ICC, IHC, WB                                                                                               |
| Species Reactivity         | Human                                                                                                          |
| Immunogen                  | A synthesized peptide derived from human IKKi/IKKe                                                             |
| Conjugation                | Unconjugated                                                                                                   |
| Product Description        | This is a IKBKE Rabbit mAb Recombinant Antibody from Reddot Biotech. This product is for Research Use Only.... |
| Clonality                  | Monoclonal                                                                                                     |
| Buffer                     | Phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.                            |
| Antibody Type              | Recombinant Antibody                                                                                           |
