| Product Description        | The GENLISA Human Atp Binding Cassette Transporter C8 (ABCC8) ELISA includes features like: - Ready to use protocol with break-apart wells for ease of use - Standardisation and High Reproducibility - Lot to Lot Consistency - Accuracy and Precision Va... |
| Range                      | 0.32 - 20 ng/ml                                                                                                                                                                                                                                               |
| Sensitivity                | 0.52 ng/ml                                                                                                                                                                                                                                                    |
| Samples                    | Serum, Plasma, Cell Culture Supernatant and other biological samples. Validated for citrated/EDTA Plasma only.                                                                                                                                                |
