## Product Datasheet

### **Transcription Factor Dp-2 (TFDP2, DP2, Dp-2, E2F Dimerization Partner 2), IgG1, Clone: [8C337], Mouse, Monoclonal USB-T8195-82**

|                            |                                                                                                                                                                                                                                                               |
