## Product Datasheet

### **Transferrin-Transferrin Receptor Complex (HRP), IgG1, Clone: [5E820], Mouse, Monoclonal USB-T8199-72-HRP**

|                            |                                                                                                                                                                                                                                                               |

| Immunogen                  | Placental transferrin receptor or transferrin                                                                                                                                                                                                                 |
| Product Description        | Applications: Detection of transferrin in serum by sandwich ELISA. Detection of transferrin-transferrin receptor complex by sandwich ELISA. Other applications not tested. Recommended Dilution: Optimal dilutions to be determined by the researcher. Mat... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [5E820]                                                                                                                                                                                                                                                       |
| Isotype                    | IgG1                                                                                                                                                                                                                                                          |
| Purity                     | Purified by Protein A affinity chromatography.                                                                                                                                                                                                                |

|      |                                                                                                                                       |
|------|---------------------------------------------------------------------------------------------------------------------------------------|
| Form | Supplied as a liquid in PBS, pH 7.2. No preservative added. No stabilizing proteins added. Labeled with horseradish peroxidase (HRP). |
