## Product Datasheet

**Troponin I-Cardiac (aa1-23) (FITC), IgG1, Clone: [8J77], Mouse, Monoclonal  
USB-T8665-13D2-FITC**

|                            |                                                                                                                                                                                                                                                               |

| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | FLISA, IHC, IP, WB                                                                                                                                                                                                                                            |
| Immunogen                  | Human cTnI peptide.                                                                                                                                                                                                                                           |
| Product Description        | Applications: Suitable for use in FLISA, Immunoprecipitation, Immunohistochemistry and Western Blot. Other applications have not been tested. Recommended Dilutions: Optimal dilutions to be determined by the researcher. Hybridoma: Hybridization of Sp2... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [8J77]                                                                                                                                                                                                                                                        |
| Isotype                    | IgG1                                                                                                                                                                                                                                                          |
| Purity                     | Purified by Protein A affinity chromatography from ascites.                                                                                                                                                                                                   |
| Form                       | Supplied as a liquid in PBS, pH 7.2. No preservative added. No stabilizing proteins added. Labeled with Fluorescein isothiocyanate (FITC).                                                                                                                    |
