| Host                       | Mouse                                                                                                                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | FLISA, IHC, IP, WB                                                                                                                                                                                                                                            |
| Immunogen                  | Mixture of cTnI and cTnI in native complex.                                                                                                                                                                                                                   |
| Product Description        | Applications: Suitable for use in FLISA, Immunoprecipitation, Immunohistochemistry and Western Blot. Other applications have not been tested. Recommended Dilutions: Optimal dilutions to be determined by the researcher. Hybridoma: Hybridization of Sp2... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [7E141]                                                                                                                                                                                                                                                       |
| Isotype                    | IgG1                                                                                                                                                                                                                                                          |
| Purity                     | Purified by Protein A affinity chromatography from ascites.                                                                                                                                                                                                   |
| Form                       | Supplied as a liquid in PBS, pH 7.2. Labeled with Allophycocyanin (APC).                                                                                                                                                                                      |
