| Article Name               | Anti-CD59 Antibody Picoband(monoclonal, 3C10) Cy3 Conjugated, Clone: [Clone: 3C10], Mouse, Monoclonal                                        |
| Biozol Catalog Number      | BOB-M00914-2-CY3                                                                                                                             |
| Supplier Catalog Number    | M00914-2-Cy3                                                                                                                                 |
| Alternative Catalog Number | BOB-M00914-2-CY3-100UG                                                                                                                       |
| Manufacturer               | Boster Bio                                                                                                                                   |
| Host                       | Mouse                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                   |
| Application                | FC                                                                                                                                           |
| Species Reactivity         | Human                                                                                                                                        |
| Immunogen                  | E.coli-derived human CD59 recombinant protein (Position: L26-N102). Human CD59 shares 47.1% amino acid (aa) sequence identity with rat CD59. |
| Clonality                  | Monoclonal                                                                                                                                   |
| Clone Designation          | [Clone: 3C10]                                                                                                                                |
| NCBI                       | <a href="#">966</a>                                                                                                                          |
| UniProt                    | <a href="#">P13987</a>                                                                                                                       |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                  |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | CD59 glycoprotein                             |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
