### Anti-Rab11A Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal BOB-PB9789-FLUORO488

|                            |                                                                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Rab11A Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                                               |
| Biozol Catalog Number      | BOB-PB9789-FLUORO488                                                                                                                 |
| Supplier Catalog Number    | PB9789-Fluoro488                                                                                                                     |
| Alternative Catalog Number | BOB-PB9789-FLUORO488-100UG                                                                                                           |
| Manufacturer               | Boster Bio                                                                                                                           |
| Host                       | Rabbit                                                                                                                               |
| Category                   | Antikörper                                                                                                                           |
| Application                | FC                                                                                                                                   |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                    |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human Rab11A, identical to the related mouse and rat sequences. |
| Clonality                  | Polyclonal                                                                                                                           |
| Molecular Weight           | Calculated Molecular Weight: 24 kDa                                                                                                  |
| NCBI                       | <a href="#">8766</a>                                                                                                                 |
| UniProt                    | <a href="#">P62491</a>                                                                                                               |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                          |
| Purity                     | Immunogen affinity purified.                                                                                                         |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | Ras-related protein Rab-11A                                          |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
