| Article Name               | Anti-TCF7L1 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                                                             |
| Biozol Catalog Number      | BOB-PB9897-BIOTIN                                                                                                                               |
| Supplier Catalog Number    | PB9897-Biotin                                                                                                                                   |
| Alternative Catalog Number | BOB-PB9897-BIOTIN-100UG                                                                                                                         |
| Manufacturer               | Boster Bio                                                                                                                                      |
| Host                       | Rabbit                                                                                                                                          |
| Category                   | Antikörper                                                                                                                                      |
| Application                | ELISA, IHC, WB                                                                                                                                  |
| Species Reactivity         | Human                                                                                                                                           |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human TCF7L1, different from the related mouse sequence by one amino acid. |
| Clonality                  | Polyclonal                                                                                                                                      |
| Molecular Weight           | Calculated Molecular Weight: 62631 MW                                                                                                           |
| NCBI                       | <a href="#">83439</a>                                                                                                                           |
| UniProt                    | <a href="#">Q9HCS4</a>                                                                                                                          |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                     |
| Purity                     | Immunogen affinity purified.                                                                                                                    |

|                    |                                                                                                                                                                                                                                       |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form               | Liquid                                                                                                                                                                                                                                |
| Target             | Transcription factor 7-like 1                                                                                                                                                                                                         |
| Application Dilute | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
