| Article Name               | Anti-Factor I/CFI Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                                                                     |
| Biozol Catalog Number      | BOB-PB9935-FITC                                                                                                                                                                             |
| Supplier Catalog Number    | PB9935-FITC                                                                                                                                                                                 |
| Alternative Catalog Number | BOB-PB9935-FITC-100UG                                                                                                                                                                       |
| Manufacturer               | Boster Bio                                                                                                                                                                                  |
| Host                       | Rabbit                                                                                                                                                                                      |
| Category                   | Antikörper                                                                                                                                                                                  |
| Application                | FC                                                                                                                                                                                          |
| Species Reactivity         | Human, Rat                                                                                                                                                                                  |
| Immunogen                  | E. coli-derived human Factor I recombinant protein (Position: K19-D220). Human Factor I shares 70.7% and 71.2% amino acid (aa) sequence identity with mouse and rat Factor I, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 65750 MW                                                                                                                                                       |
| NCBI                       | <a href="#">3426</a>                                                                                                                                                                        |
| UniProt                    | <a href="#">P05156</a>                                                                                                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                                 |
| Purity                     | Immunogen affinity purified.                                                                                                                                                                |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | Complement factor I                                                  |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
