| Article Name               | Anti-HLF Antibody Picoband PE Conjugated, Rabbit, Polyclonal                                                                      |
| Biozol Catalog Number      | BOB-A01284-1-PE                                                                                                                   |
| Supplier Catalog Number    | A01284-1-PE                                                                                                                       |
| Alternative Catalog Number | BOB-A01284-1-PE-100UG                                                                                                             |
| Manufacturer               | Boster Bio                                                                                                                        |
| Host                       | Rabbit                                                                                                                            |
| Category                   | Antikörper                                                                                                                        |
| Application                | FC                                                                                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                 |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human HLF, identical to the related mouse and rat sequences. |
| Clonality                  | Polyclonal                                                                                                                        |
| Molecular Weight           | Calculated Molecular Weight: 33 kDa                                                                                               |
| NCBI                       | <a href="#">3131</a>                                                                                                              |
| UniProt                    | <a href="#">Q16534</a>                                                                                                            |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                       |
| Purity                     | Immunogen affinity purified.                                                                                                      |
| Form                       | Liquid                                                                                                                            |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Target             | Hepatic leukemia factor                                              |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
