| Article Name               | Anti-AHRR Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                                         |
| Biozol Catalog Number      | BOB-A01515-2-FLUORO647                                                                                       |
| Supplier Catalog Number    | A01515-2-Fluoro647                                                                                           |
| Alternative Catalog Number | BOB-A01515-2-FLUORO647-100UG                                                                                 |
| Manufacturer               | Boster Bio                                                                                                   |
| Host                       | Rabbit                                                                                                       |
| Category                   | Antikörper                                                                                                   |
| Application                | FC                                                                                                           |
| Species Reactivity         | Human, Mouse                                                                                                 |
| Immunogen                  | E.coli-derived human AHRR recombinant protein (Position: L108-D180).                                         |
| Clonality                  | Polyclonal                                                                                                   |
| NCBI                       | <a href="#">57491</a>                                                                                        |
| UniProt                    | <a href="#">A9YTQ3</a>                                                                                       |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                 |
| Form                       | Liquid                                                                                                       |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Target             | Aryl hydrocarbon receptor repressor                                  |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
