| Article Name               | Anti-Mmp12 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                                                              |
| Biozol Catalog Number      | BOB-A01520-2-FLUORO594                                                                                                                                                             |
| Supplier Catalog Number    | A01520-2-Fluoro594                                                                                                                                                                 |
| Alternative Catalog Number | BOB-A01520-2-FLUORO594-100UG                                                                                                                                                       |
| Manufacturer               | Boster Bio                                                                                                                                                                         |
| Host                       | Rabbit                                                                                                                                                                             |
| Category                   | Antikörper                                                                                                                                                                         |
| Application                | FC                                                                                                                                                                                 |
| Species Reactivity         | Mouse                                                                                                                                                                              |
| Immunogen                  | E.coli-derived mouse Mmp12 recombinant protein (Position: K237-H442). Mouse Mmp12 shares 62.7% and 90.3% amino acid (aa) sequence identity with mouse and rat Mmp12, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                         |
| Molecular Weight           | Calculated Molecular Weight: 52588 MW                                                                                                                                              |
| NCBI                       | <a href="#">17381</a>                                                                                                                                                              |
| UniProt                    | <a href="#">P34960</a>                                                                                                                                                             |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                        |
| Purity                     | Immunogen affinity purified.                                                                                                                                                       |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | Macrophage metalloelastase                                           |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
