| Article Name               | Anti-DKC1 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                                                                                 |
| Biozol Catalog Number      | BOB-A01535-2-HRP                                                                                                                                                               |
| Supplier Catalog Number    | A01535-2-HRP                                                                                                                                                                   |
| Alternative Catalog Number | BOB-A01535-2-HRP-100UG                                                                                                                                                         |
| Manufacturer               | Boster Bio                                                                                                                                                                     |
| Host                       | Rabbit                                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                                     |
| Application                | ELISA, IHC, WB                                                                                                                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                              |
| Immunogen                  | E.coli-derived human DKC1 recombinant protein (Position: R19-R447). Human DKC1 shares 94.2% and 87.9% amino acid (aa) sequence identity with mouse and rat DKC1, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                     |
| Molecular Weight           | Calculated Molecular Weight: 58 kDa                                                                                                                                            |
| NCBI                       | <a href="#">1736</a>                                                                                                                                                           |
| UniProt                    | <a href="#">O60832</a>                                                                                                                                                         |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                                                            |
| Purity                     | Immunogen affinity purified.                                                                                                                                                   |
| Form                       | Liquid                                                                                                                                                                         |

|                    |                                                                                                                                                                                                                                       |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target             | H/ACA ribonucleoprotein complex subunit DKC1                                                                                                                                                                                          |
| Application Dilute | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
