### Anti-ARL3 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal BOB-A04080-1-HRP

|                            |                                                                                                                                    |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-ARL3 Antibody Picoband HRP Conjugated, Rabbit, Polyclonal                                                                     |
| Biozol Catalog Number      | BOB-A04080-1-HRP                                                                                                                   |
| Supplier Catalog Number    | A04080-1-HRP                                                                                                                       |
| Alternative Catalog Number | BOB-A04080-1-HRP-100UG                                                                                                             |
| Manufacturer               | Boster Bio                                                                                                                         |
| Host                       | Rabbit                                                                                                                             |
| Category                   | Antikörper                                                                                                                         |
| Application                | ELISA, IHC, WB                                                                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                  |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human ARL3, identical to the related mouse and rat sequences. |
| Clonality                  | Polyclonal                                                                                                                         |
| Molecular Weight           | Calculated Molecular Weight: 20 kDa                                                                                                |
| NCBI                       | <a href="#">403</a>                                                                                                                |
| UniProt                    | <a href="#">P36405</a>                                                                                                             |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> .                                                |
| Purity                     | Immunogen affinity purified.                                                                                                       |
| Form                       | Liquid                                                                                                                             |
| Target                     | ADP-ribosylation factor-like protein 3                                                                                             |

|                    |                                                                                                                                                                                                                                       |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | Western blot, Optimal dilutions should be determined by end users. Immunohistochemistry (Paraffin-embedded Section), Optimal dilutions should be determined by end users. ELISA, Optimal dilutions should be determined by end users. |
