| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | FC                                                                                                          |
| Species Reactivity         | Human, Mouse, Rat                                                                                           |
| Immunogen                  | E.coli-derived human SRP72 recombinant protein (Position: I40-Y460).                                        |
| Clonality                  | Polyclonal                                                                                                  |
| NCBI                       | <a href="#">6731</a>                                                                                        |
| UniProt                    | <a href="#">O76094</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |
| Form                       | Liquid                                                                                                      |
| Target                     | Signal recognition particle subunit SRP72                                                                   |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
