| Article Name               | Anti-MIRO1/RHOT1 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                 |
| Biozol Catalog Number      | BOB-A05928-1-FLUORO550                                                                                      |
| Supplier Catalog Number    | A05928-1-Fluoro550                                                                                          |
| Alternative Catalog Number | BOB-A05928-1-FLUORO550-100UG                                                                                |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | FC                                                                                                          |
| Species Reactivity         | Human, Mouse, Rat                                                                                           |
| Immunogen                  | E.coli-derived human MIRO1/RHOT1 recombinant protein (Position: Q63-A596).                                  |
| Clonality                  | Polyclonal                                                                                                  |
| NCBI                       | <a href="#">55288</a>                                                                                       |
| UniProt                    | <a href="#">Q8IXI2</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |
| Form                       | Liquid                                                                                                      |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Target             | Mitochondrial Rho GTPase 1                                           |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
