### Anti-AMD1 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal BOB-A06146-FITC

|                            |                                                                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-AMD1 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                       |
| Biozol Catalog Number      | BOB-A06146-FITC                                                                                                                       |
| Supplier Catalog Number    | A06146-FITC                                                                                                                           |
| Alternative Catalog Number | BOB-A06146-FITC-100UG                                                                                                                 |
| Manufacturer               | Boster Bio                                                                                                                            |
| Host                       | Rabbit                                                                                                                                |
| Category                   | Antikörper                                                                                                                            |
| Application                | FC                                                                                                                                    |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                     |
| Immunogen                  | A synthetic peptide corresponding to a sequence in the middle region of human AMD1, identical to the related mouse and rat sequences. |
| Clonality                  | Polyclonal                                                                                                                            |
| Molecular Weight           | Calculated Molecular Weight: 38 kDa                                                                                                   |
| NCBI                       | <a href="#">262</a>                                                                                                                   |
| UniProt                    | <a href="#">P17707</a>                                                                                                                |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                           |
| Purity                     | Immunogen affinity purified.                                                                                                          |

|                    |                                                                      |
|--------------------|----------------------------------------------------------------------|
| Form               | Liquid                                                               |
| Target             | S-adenosylmethionine decarboxylase proenzyme                         |
| Application Dilute | Flow Cytometry, Optimal dilutions should be determined by end users. |
