| Host                       | Rabbit                                                                                                                                                                                                                                                       |
| Category                   | Antikörper                                                                                                                                                                                                                                                   |
| Application                | ELISA, ICC, IF, WB                                                                                                                                                                                                                                           |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                  | E.coli-derived human CCPG1 recombinant protein (Position: G236-Y730).                                                                                                                                                                                        |
| Product Description        | Boster Bio Anti-CCPG1 Antibody Picoband catalog A11765-2. Tested in WB, ICC, IF, ELISA applications. This antibody reacts with Human, Mouse, Rat. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                   |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molecular Weight           | Observed Molecular Weight: 110 kDa. Calculated Molecular Weight: 87 kDa                                                                                                                                                                                      |
| NCBI                       | <a href="#">9236</a>                                                                                                                                                                                                                                         |

|                    |                                                                                                                                   |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| UniProt            | <a href="#">Q9ULG6</a>                                                                                                            |
| Buffer             | Each vial contains 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                         |
| Purity             | Immunogen affinity purified.                                                                                                      |
| Form               | Lyophilized                                                                                                                       |
| Target             | Cell cycle progression protein 1                                                                                                  |
| Application Dilute | Western blot, 0.25-0.5 µg/ml, Human, Mouse, Rat<br>Immunocytochemistry/Immunofluorescence, 5 µg/ml, Human ELISA,<br>0.1-0.5 µg/ml |
