| Alternative Catalog Number | ABI-34-1041-50-50UL                                                                                                                                                                                 |
| Manufacturer               | Abeomics                                                                                                                                                                                            |
| Host                       | Rabbit                                                                                                                                                                                              |
| Category                   | Antikörper                                                                                                                                                                                          |
| Application                | WB                                                                                                                                                                                                  |
| Species Reactivity         | Human                                                                                                                                                                                               |
| Immunogen                  | C-terminal peptide of rat and mouse GAP43, which is KEDPEADQEHA, with an N-terminal Cys added to allow chemical coupling to KLH carrier protein                                                     |
| Product Description        | Antibodies, Miscellaneous, GAP43, GAP43, 2596, P17677, Axonal membrane protein GAP-43, Growth-associated protein 43, Neural phosphoprotein B-50, pp46, , Polyclonal Antibody to GAP43 , Purified... |
| Clonality                  | Polyclonal                                                                                                                                                                                          |
| NCBI                       | <a href="#">2596</a>                                                                                                                                                                                |
| UniProt                    | <a href="#">P17677</a>                                                                                                                                                                              |
| Form                       | Purified                                                                                                                                                                                            |

|                    |                                      |
|--------------------|--------------------------------------|
| Target             | GAP43                                |
| Application Dilute | WB: 1:10,000 IF/ICC and IHC: 1:1,000 |
