## Product Datasheet

**Mouse Monoclonal Antibody to Ipilimumab (Clone : 26B6H7D9), Clone:  
[26B6H7D9]  
ABI-45-1091**

|                            |                                                                                                                                                                                                                                                                   |
