## Product Datasheet

### Characteristic MSH-Tetrapeptide, CAS [[4289-02-5]] CBS-FC109086

|                            |                                                                                               |
|----------------------------|-----------------------------------------------------------------------------------------------|
| Article Name               | Characteristic MSH-Tetrapeptide, CAS [[4289-02-5]]                                            |
| Biozol Catalog Number      | CBS-FC109086                                                                                  |
| Supplier Catalog Number    | FC109086                                                                                      |
| Alternative Catalog Number | CBS-FC109086-25MG, CBS-FC109086-50MG, CBS-FC109086-100MG                                      |
| Manufacturer               | Biosynth                                                                                      |
| Category                   | Biochemikalien                                                                                |
| Molecular Weight           | 644.72 g/mol                                                                                  |
| Sequence                   | C1=CC=C(C=C1)CC(C(=O)NC(CCCN=C(N)N)C(=O)NC(CC2=CNC3=C<br>C=CC=C32)C(=O)O)NC(=O)C(CC4=CN=CN4)N |
| CAS Number                 | [4289-02-5]                                                                                   |
| Formula                    | C32H40N10O5                                                                                   |
