| Article Name               | METTL27 (NM_152559) Human Recombinant Protein                                           |
| Biozol Catalog Number      | BOB-PROTQ8N6F8                                                                          |
| Supplier Catalog Number    | PROTQ8N6F8                                                                              |
| Alternative Catalog Number | BOB-PROTQ8N6F8-20UG                                                                     |
| Manufacturer               | Boster Bio                                                                              |
| Category                   | Proteine/Peptide                                                                        |
| Product Description        | Recombinant protein of human Williams Beuren syndrome chromosome region 27 (WBSCR27)... |
| Concentration              | >50 ug/mL as determined by microplate BCA method                                        |
| Molecular Weight           | 26.3 kDa                                                                                |
| Tag                        | C-Myc/DDK                                                                               |
| UniProt                    | <a href="#">Q8N6F8</a>                                                                  |
| Buffer                     | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                                    |
| Source                     | HEK293T                                                                                 |
| Form                       | Frozen Solution in PBS Buffer                                                           |
