## Product Datasheet

### Anti-FITC (Fluorescein isothiocyanate) (HRP), IgM kappa, Clone: LO-FLUO SYN-LO-FLUO-HRP-0.5

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| Article Name               | Anti-FITC (Fluorescein isothiocyanate) (HRP), IgM kappa, Clone: LO-FLUO |
| Biozol Catalog Number      | SYN-LO-FLUO-HRP-0.5                                                     |
| Supplier Catalog Number    | LO-FLUO-HRP-0.5                                                         |
| Alternative Catalog Number | SYN-LO-FLUO-HRP-0.5                                                     |
| Manufacturer               | Synabs                                                                  |
| Category                   | Antikörper                                                              |
| Application                | ELISA, WB                                                               |
| Species Reactivity         | Rat                                                                     |
| Conjugation                | HRP                                                                     |
| Concentration              | 1mg/mL                                                                  |
| Clone Designation          | LO-FLUO                                                                 |
| Isotype                    | IgM kappa                                                               |
| Buffer                     | PBS/50%glycerol                                                         |
| Purity                     | Immunoaffinity chromatography (Purification on Mouse anti-Rat column)   |
| Formula                    | PBS/50%glycerol                                                         |
| Target                     | Fluorescein isothiocyanate                                              |
